I hereby apply for water and/or sewer service to the property identified above and located within the South Island Public Service District area. I agree to comply with the following rules and regulations.

1. Any damages to the district's water system, water meter or laterals as a result of activities under control of the Tenant will be repaired by SIPSD and the cost of the repairs will be paid by the Owner upon receipt of an invoice from the SIPSD.
2. It is the responsibility of the Tenant to keep the water meter accessible for reading. Any covering by soil, building materials, debris, etc., shall be removed by the Tenant.
3. Bills will be mailed quarterly and are payable by the "Due Date" indicated on the bill. If payments are received after the "Due Date", a penalty will be added to the balance.
4. The Owner agrees to assume any financial responsibility not met by the Tenant when the property is vacated. Should the tenant vacate in the middle of a billing cycle, it is the responsibility of the owner to inform SIPSD of a new mailing address. SIPSD does not prorate billing.

Failure of the Tenant to comply with these rules and regulations will result in termination of service to the property. If service is discontinued for any of the reasons stated above, there will be a \$50.00 service fee.
